# Commercial Power-Up

## A Mid-Coast Energy Systems Annual Preventative Maintenance Agreement for Generators 20KW and Larger

Let us take the worry out of servicing your automatic stand-by generator. Preventative maintenance and service are known to maintain efficiency and increase the life expectancy of mechanical equipment. Your stand-by generator and its related equipment are no different. Have peace of mind knowing that we are keeping yours running safely and keeping your power on.

### Factory Certified Technicians Will Provide:

- Fuel line and connection check
- Change engine oil and filter
- Inspect enclosure louvers and clear if necessary
- Remove corrosion and load test battery
- Test electrolyte level in *unsealed* batteries
- Check vibration, noise, leakage, and temperature
- Replace air filter
- Replace spark plugs
- Lubricate engine
- Perform voltage and frequency test under load and adjust

### ANNUAL COST: \$

- ★ 24 Hour Emergency Service at Regular Rates
- ★ 10% Discount on all Generator Repair Parts During the Plan Year
- ★ Priority Dispatch for Generator Repair Calls

\*Mid-Coast reserves the right to reject any service agreement if an inspection by our service technician finds the equipment to be in such condition that service will be unsatisfactory to both parties. Some existing systems may require code updates to satisfy State of Maine and NFPA requirements.

\*\* Mid-Coast will endeavor to render prompt and efficient service hereunder, but it is expressly agreed that Mid-Coast shall in no event be liable for damage or loss caused by delay or any loss arising out of performance of this agreement.

ACCEPTANCE OF POWER UP CONTRACT – By signing below you agree that the above prices, specifications, and conditions are satisfactory and are hereby accepted. Mid-Coast Energy Systems is authorized to do the work specified. Payment must be made in advance. Upon receipt of payment, the Service Manager will call you to schedule the appointment.
